

Animal Logic Artist in Residence Program Guidelines

The Artist in Residence Program is a new partnership between Create NSW and Animal Logic, supporting three NSW-based artists across all art forms to undertake a three-month residency at Animal Logic.

Recognised as one of the world's leading independent creative digital studios, Animal Logic has produced award winning design, visual effects and animation for over 25 years. This new initiative aims to provide time and space for three artists to explore new ideas, develop work, facilitate artistic exchange across artforms and collaborate with screen practitioners in the Animal Logic community.

Applications are open to NSW-based emerging and established creatives across several art forms including choreography, sound design, visual, aural, and oral art forms.

The residency will offer each artist the following:

- Workspace
- Mentorship and connections with local peers
- Access to specialist equipment and technical assistance
- Insurance

Applications will be assessed by a panel comprised of Create NSW and Animal Logic staff. A shortlist of up to six applicants will be invited for an interview with the Acting Director, Screen Investment, Engagement and Attraction at Create NSW, and representatives from Animal Logic before selection of the final Artists in Residence is made. Once finalised, the three recipients will begin their staggered placements throughout 2019.

Successful applicants will receive a three-month residency at Animal Logic and a grant of \$10,000 to complete the residency.

Animal Logic will also provide the opportunity for a public sharing and group exhibition as part of the residency.

Applications will open for the residencies at 12 noon on Tuesday 22 January AEDT and close at midnight on Friday 1 March 2019 AEDT.

Who is eligible to apply?

- i. Applicants must be a NSW resident;
- ii. Applicants may be emerging or established Artists;
- iii. For the purpose of this program, Artist means but is not necessarily limited to any artist in the following fields: choreography, sound design, visual, aural, and oral art forms.

NSW resident refers to a person residing in NSW for at least 12 months prior to making an application.

How do I apply?

You can apply for the residency using our online application form:

<https://screennsw.smartygrants.com.au/animallogicresidency>

Before you apply, please read the Animal Logic Artist in Residence Program guidelines.

In the application form, you will be asked to detail your practice, experience, why you believe the residency would be of value to you at this point in your career, your proposed activities and anticipated outcomes. You will also be asked to submit samples of your work.

When will the residencies take place?

The three individual residencies will be staggered throughout 2019. Commencement dates will be agreed upon by Animal Logic and the artist.

How long will each residency be and how much is the grant?

The three successful applicants will receive a three-month residency at Animal Logic and a grant of \$10,000 to complete the residency.
